

MAKE YOUR ONLINE BOOKINGS SOAR.

Realview TV creates online video solutions designed to enhance your property's Web presence and engage viewers with an unforgettable interactive experience.

Whether your property is targeting higher occupancy rates, group sales or special events, Realview TV combines cutting-edge technology with creativity for an unforgettable interactive experience.

Award-Winning Online Video Solutions that Get Results.

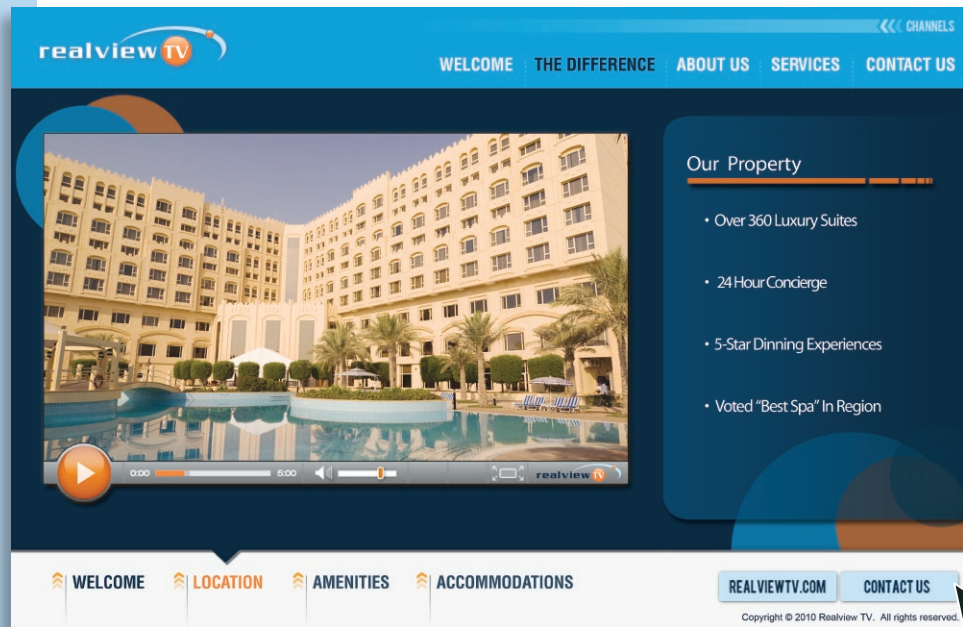

Panoramic photos and 360 tours are outdated and drab. To get and keep the attention of your guests you need to create an experience.

- 89% of consumers surveyed said video on a property's website influenced their booking decision
- On average, travelers visit 20 websites before making a booking decision
- Merchants that implement video content see a 25%-100% increase in purchases and customer satisfaction

THE REALVIEW TV DIFFERENCE.

Realview TV uses the highest quality HD production and 3D-animation technology to create high-impact videos, virtual tours, interactive maps and call-to-action features that deliver increased awareness and conversion.

- Realview TV videos receive over 1 million views per year
- Each year, Realview TV streams over 50 million seconds of video
- The average watch time of a Realview TV video is almost 75 seconds (*industry average is 45 seconds*)

SOLUTIONS THAT WORK.

Does it work? You bet. Check out just a few of our hospitality clients that have seen real results from partnering with Realview TV:

- 755 Club – The 755 Club at Turner Field incorporated high-impact videos and a clickable floor plan to create a virtual tour that resulted in over 25,000 views in just the first year and increased bookings for the 755 Club.
- Twelve Hotels – One of the most modern virtual tours in the hospitality industry, Twelve Hotels received over 2,500 views in the first month it was launched.
- Enon Plantation – This world class resort and hunting plantation used a virtual tour to attract enthusiasts from around the country; including several U.S. dignitaries.
- Phillips Arena – The southeast's leading event venue and home to three of Atlanta's professional sports teams increased overall sales of premium seating and is still receiving almost 2,000 views a month.
